FINANCE DEPARTMENT

Dated 15th September 1954.

No. Fl. (B) 95-73—C.R. 1-54-39. In exercise of the powers conferred by proviso to Article 309 read with Article 313 of the Constitution of India, the Rajpramukh of Mysore is pleased to make the following rule, namely,—

Notwithstanding anything contained in Article 465 of Mysore Services Regulations the return journey performed by the Secretary, Mysore Legislature in October 1953 from Delhi to Bombay *via* Kalyan after attending the Conference of Presiding Officers of Legislative Bodies in India at Gwalior, is deemed to be an authorised one for purposes of calculating the Travelling Allowance.

By Order and in the name of the Rajpramukh,

4985

Official Memorandum dated 16th September 1954.

No. Fl. (B) 9614-713—C.R. 15-54-1. At present Service Registers and leave account of Non-gazetted Government Servants are being checked by the outside Audit Staff of the Accountant General's (Mysore) Office at the time of local audit and inspection of leave accounts maintained in Government offices according to a programme. But in view of the fact that only selected offices are included in the annual programme of local audit, it is not possible to scrutinise during local audit the service registers of all Non-gazetted Government Servants every year. The Accountant General, Mysore, considers it essential that the local audit staff sees that the Service Registers of all officials who were due to retire within a short time have been maintained properly as per rules, and that they check the leave accounts of all such officials before their retirement to ensure that there are no cases of irregular sanctions which result in excess payments. He has, therefore, proposed to arrange every year for the check of Service Registers and leave account of all non-gazetted Government servants, both superior and inferior, in the State who are likely to retire within the next three years or who will have putin 30 years of qualifying service by the end of this period.

In this connection, the Accountant-General, Mysore, has brought for the consideration of Government a convenient arrangement which is adopted in Madras to facilitate the

check of Service Registers and leave account by the Audit parties. The Audit party is sent to the District office in each district and the Treasury Officer of the District collects and makes available for check in his office the Service Registers and leave account of the non-gazetted subordinates of all offices in the District. For this purpose, intimation of audit is sent in advance to the District Treasury Officer who in turn issues instructions to the heads of offices in the district to send all the Service Registers and leave accounts required by the audit staff to the District Treasury through the officials dealing with these documents and work.

The above proposals of the Accountant-General were referred to the Revenue Commissioner in Mysore who while agrees in the proposals has suggested that instead of the Treasury Officers the Personal Assistants to the Deputy Commissioners may be made responsible to collect and make available for check the Service Registers and leave accounts for audit.

After an examination of the question, it is directed that the arrangement suggested by the Accountant-General, Mysore and as modified by the Revenue Commissioner in Mysore, be adopted in the State. Heads of all Departments and Deputy Commissioners of Districts are requested to arrange for making available the Service Registers and leave accounts of the several offices in the District required for check by the Outside Audit Staff whenever intimation of such audit is issued and to depute the official in-charge of Service Registers and leave accounts during the period for which the Audit is conducted.

Secretary to Government,
